

STUDENT NETWORKING EVENTS

LIGHTFAIR® INTERNATIONAL 2010

WEDNESDAY, May 12, 2010

10:00 AM – 11:00 AM **New Attendee Orientation**, Room N119

A presentation and orientation session to help new attendees navigate both the conference program and show floor of LIGHTFAIR International (LFI). Attendees will be guided through the seminar program, in particular the new organization into tracks, as well as develop an understanding of the intended audience, level, and most important, logistics of the program. Attendees will also be introduced to the show floor layout, helping to orient them to the organization of vendors and the special areas on the show floor, including the different Design, Daylighting, Building Integration and Global Light + Design pavilions and the various lounges where they can network with colleagues. They will also learn where to get help throughout the duration of the show. The session will be entirely interactive, allowing participants to ask specific questions about their first LFI experience.

12:00 PM – 1:00 PM **Lighting Education MEET & GREET**, *Lighting Education Lounge* – Booth 2650

Students, educators, industry professionals and supporters of Lighting Education are all invited to meet and mingle in the Lighting Education Lounge. Beverages will be provided; bring your lunch and connect, network and catch up!

1:00 PM – 2:00 PM **Student Tours of the LFI Exhibit Hall**, *Lighting Education Lounge* – Booth 2650

Join an industry expert or lighting designer and take a tour of the LFI Exhibit Hall under the guidance of a seasoned professional! Open to students, first-time attendees and educators.

THURSDAY, May 13, 2010

12:00 PM – 2:00 PM **Student Portfolio Review**, *Lighting Education Lounge* – Booth 2650

Lighting designers and industry professionals will provide critical input to students' work and interview for jobs and internships. Open to students, recent graduates and young professionals.

FRIDAY, May 14, 2010

12:00 PM – 2:00 PM **Student Portfolio Review**, *Lighting Education Lounge* – Booth 2650

Lighting designers and industry professionals will provide critical input to students' work and interview for jobs and internships. Open to students, recent graduates and young professionals.
