

LIGHTFAIR SETS JUNE 2022 DATES FOR RETURN TO LAS VEGAS

Trade Show is June 21-23, 2022 and Conference is June 19-23, 2022 in New West Hall

ATLANTA – March 10, 2021 – LightFair today announced its 2022 dates: the trade show is June 21-23, 2022 and conference is June 19-23, 2022 at the Las Vegas Convention Center (LVCC) in Las Vegas N.V.

“LightFair exhibitors and attendees repeatedly name Las Vegas as their preferred west coast location. We are excited to gather with them there for the return of a more traditional LightFair experience in 2022,” said Dan Darby, LightFair show director.

LightFair 2022 will take place in the LVCC’s new West Hall. The state-of-the-art convention facility features modern trade show and classroom spaces plus an expansive terrace overlooking the Las Vegas strip and a new underground Tesla-powered People Mover that allows attendees to move quickly through the LVCC campus. Additionally, the LVCC recently was awarded the Global Biorisk Advisory Council (GBAC) STAR facility accreditation by ISSA: The Worldwide Cleaning Industry Association.

Staged alternately on the U.S. east and west coasts, LightFair returns to Las Vegas in 2022 following its 2014 showing there, which set new west-coast occupancy and attendance records. Its planned return in 2020 was cancelled due to the COVID-19 pandemic.

“The June dates put enough distance between the rescheduled October 2021 staging in New York and the 2022 staging in Las Vegas to make both shows viable and valuable for attendees and exhibitors,” added Darby. For LightFair 2021, the trade show is October 27-29, 2021 and the conference is October 25-29 at the Jacob K. Javits Center in New York. Registration opens in June 2021.

Leasing for LightFair 2022 will begin at LightFair 2021 in October. Registration will open in early 2022.

About LightFair

LightFair, the world’s largest annual architectural and commercial lighting trade show and conference, is owned by the International Association of Lighting Designers (IALD), the Illuminating Engineering Society (IES) and International Market Centers.
